

73. The printable sheet construction of claim 61 wherein said sheet comprises 10 mil thick cardstock.

74. The printable sheet construction of claim 61 wherein said sheet is approximately 8-12 mil thick media sheet.

75. The printable sheet construction of claim 61 wherein said at least one substantial-cut line is formed in a trimming wheel, die cutting, laser or chemical or acid etching process.

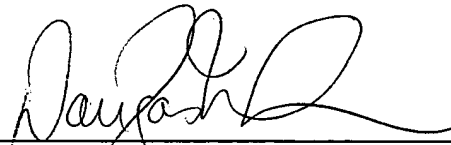

Remarks

New independent article claim 61 is patentable for reasons similar to method claim 57. And the arguments submitted with the Amendment are hereby incorporated by reference.

Accordingly, early issuance of the Notice of Allowance is in order and is hereby respectfully requested. If there are any remaining issues, the Examiner is encouraged to telephone counsel to seek to resolve them.

If any additional fees are due with this Supplemental Amendment, the Commissioner is authorized to charge them to Deposit Account Number 16-2230.

Respectfully submitted,

Douglas N. Larson
